## **NEW MOVIE STUDIO OPENS IN PITTSBURGH**

2/15/18

**ROBINSON TOWNSHIP, PA** – After several years of renovation and transformation, 3 Rivers Studios is officially open for business! This state-of-the-art studio facility was designed to accommodate productions for: feature films, television shows, independent films, music videos, TV commercials and corporate videos.

Nestled on 14 acres in Robinson Township, the building spans 132,000 square feet, and includes: five sound stages; dressing rooms; a wood shop & scenic design area; large wardrobe & prop storage; laundry room; green rooms; abundant production offices; conference rooms; four kitchens, loading docks and truck drive-in access. There is ample outdoor parking for semi-trucks, production vehicles and automobiles.

The building boasts 21 ten-ton HVAC rooftop units for heating and air conditioning. The largest sound stage includes a 42' ceiling with two 18' high garage doors. Each stage includes its own dedicated 400 amp service with convenient cam lock tie-ins.

The studio also offers ancillary services such as -- scenic design & set construction, as well as, full catering & craft services featuring top chefs from various local restaurants who can prepare meals to meet any culinary request including specialty meals and specific diets.

“We’re very proud to offer this amazing studio facility for both national & local productions and look forward to creating a memorable experience for every production that comes through,” says, Sam Sandora, General Manager of 3 Rivers Studios.

The studio is located 12-minutes from both Pittsburgh International Airport and downtown Pittsburgh. It is close to hotels, restaurants, malls and shopping plazas.

3 Rivers Studios is located at 4100 Steubenville Pike, Pittsburgh, PA 15205. Google Maps:
